

Payment Methods & Terms

- Credit Card – VISA, Master Card, American Express
- Credit - All payments are due net 30 days from date of invoice. Credit must be established before an order is processed. Please [click here for credit application form](#).

Minimum Orders / Quantity Discounts

- End-users - There are no minimum order requirements for standard, stocked items (items appearing on the official price list).
Distributors – To earn distributor discounts, a minimum order of 10 boxes per item is required. Otherwise, end-user pricing will apply.
- A \$7.95 handling fee will be applied to all orders under \$100.
- Quantity discounts detailed on the price list apply to individual orders and can not include a combination of multiple products.

Blanket Orders (Master Purchase Orders)

Blanket orders will be accepted and are encouraged by KIC Products for order quantities of 100 boxes or more per purchase order (10 boxes or more per release). KIC customers will be invoiced for the value of the shipment at each scheduled release date. If the value of a shipment of 10 boxes is less than \$100, the \$7.95 handling fee will be waived. The customer is responsible for taking receipt of and paying for the entire amount of the order within one year after the blanket order was placed, unless other arrangements have been made.

Drop Shipping

- A fee of \$7.95 will be charged for all domestic drop shipments.
- A handling fee of \$65 will be charged for all international drop shipments.

Freight

- All orders are FOB Auburn, Maine, USA. Shipments via BAX Global, UPS, Fedex, and DHL can be prepaid or shipped “collect” and charged to customer’s account.

Lead Time

- Standard items, provided they are in stock, typically ship within three days from receipt of order.²

Pricing

- Prices are good for 90 days from the date the quote was issued.

¹ Standard Orders refer to orders of standard, stocked items that appear on KIC’s price list and do not require private labeling or special packaging.

² KIC makes every effort to maintain adequate inventory of all standard products; however demand levels influence inventory levels and some items are occasionally on backorder.
